Dear Hiring Manager,

Looking for creative and knowledgeable web developer with a wide range of programming languages? That is exactly what I am prepared to do with 3 years' experience as full stack developer. I will step in and make an immediate contribution to **Remazing**.

I'm interested in **Full Stack Developer** job which I found on glassdoor.com . I believe I have the appropriate experience for this role. In the meantime, please find my resume attached. I look forward to hiring from you.

Sincerely,

Nazmul Huda
